

Crochet Instructions: Scrunchie for Fine Hair

Skill Level:

- ◆ Beginner
-

Materials:

- ◆ I Love This Cotton! medium weight (4) cotton yarn in *Harvest Hues*, or equivalent
 - ◆ Size 4.0 crochet hook
 - ◆ Small hair elastic, 2mm size
 - ◆ Scissors
 - ◆ Yarn needle
-

Instructions:

Round 1:

- ◆ Make a slip knot and attach it to the hair elastic with a chain stitch.
- ◆ Make 1 single crochet around the elastic. Place a stitch marker in this stitch.
- ◆ Make 25 more single crochets around the elastic for a total of 26 stitches, weaving in the tail as you go and securing the last stitch to the first stitch using a slip stitch.

The number of stitches does not need to be exact; crochet enough single crochets that will comfortably cover the elastic when stretched taut, but not too many that the elastic cannot stretch. If you want to use a different sized elastic, gauge the number of stitches to make in round 1 in the same manner.

Round 2:

- ◆ Single crochet in first stitch from previous round; move stitch marker to this first stitch. Single crochet in same stitch.
- ◆ Place 2 single crochets in each remaining single crochet made in round 1.
- ◆ Join the last stitch with the first stitch in the round using a slip stitch.

Round 3:

- ◆ Single crochet in in first stitch from previous round; move stitch marker to this first stitch.
- ◆ Place 1 single crochet in each stitch from round 2.
- ◆ Use a slip stitch to attach the last stitch to the first stitch.

Finish:

- ◆ Remove stitch marker.
- ◆ End off and weave in the tail.
